25X1 6. [] Handcarried to Mr. Barnaby, staff of
House Government Operations and Government Information Subcommittee,
General Carter's letter transmitting the Agency's response to a Committee
questionnaire on polygraphs.

25X1 7. [] Personnel, called to say
25X1 that Representative Thomas Morgan had telephoned him regarding the
application of [] Mr. Morgan said that she was in
need of immediate employment and he wanted to know if there was any
way of speeding up her processing. [] advised me that she 25X1
had been given a provisional clearance and that the Medical evaluation
was the only thing standing in the way. I informed the Congressman that
the Medical Staff would be in touch with [] and make arrange- 25X1
ments for her to come in on Wednesday or Thursday of next week.
